

## **PUBLIC NOTICE**

**PERMIT APPLICATION:** NRS # 04.380

**APPLICANT:** State of Tennessee  
Department of Transportation  
Environmental Planning and Permits Division  
Suite 900, James K. Polk Building  
505 Deaderick Street  
Nashville, Tennessee 37243  
(615) 253-2477

**LOCATION:** Unnamed Tributary to Indian Creek  
35.0851°N, 86.8839°W  
Giles County

**WATERSHED DESCRIPTION:** The unnamed tributary to Indian Creek lies within the Elk River Watershed. The stream at point of impact is approximately 3 feet and water depth is approximately 4 inches. Substrate is primarily gravel. Land use at the site is commercial on the left ascending side and forested hills on right ascending side.

**PROJECT DESCRIPTION:** The applicant proposes to extend an existing culvert running under Interstate 65. The extension is needed for a proposed auxiliary lane.

**Station 1147+29.47:** Unnamed tributary to Indian Creek. Applicant proposes to extend the existing 230.8 feet 6 ft. x 5 ft. culvert by 12 feet. Associated with the extension is 20 feet of riprap at the outlet.

The applicant proposes a payment of \$2,400 to the Tennessee Stream Mitigation Program for the 12 feet of encapsulation. Standard erosion control devices would be used to prevent sediment from entering flowing water. Upon completion of the work, all disturbed areas would be stabilized.

**PERMIT COORDINATOR:** Trent Thomas

**USGS TOPOGRAPHIC QUADRANGLE:** Elkton, TN (66-SW)
